

Cape Henry Shores Civic Association Newsletter

Spring Edition • March/April/May 2013

A very happy, healthy, safe and prosperous New Year to all! Thank you Judy and Jerry Bland for decorating our front entrance during the holiday season. Thanks also to Murphy's Irish Pub for hosting our holiday party.

Since our last newsletter, Dan Creedon has been replaced by Kevin Laprocina as Block Captain on Heston Road. Thanks Dan for all your years of service. Welcome Kevin and we look forward to your dedicated participation. Additionally, Terry Horan assumed the position of Block Captain as of Bob Horan's passing. 2013 CHS dues (now due) may be paid directly to your Block Captain or mailed to our PO Box. See Treasurer's notice on page 2.

Tuesday, March 5th 2013, 7:30 PM at the Lynnhaven Colony Congregational Church is our next scheduled CHS Civic Association meeting. Refreshments will be served. We want to know how to improve our community. Also, Dave Williams will be discussing self-defense laws in Virginia, specifically if an intruder should enter your home. See you at the meeting.

Marty Schuman, CHSCA President

REFRESHMENTS SERVED

**CHS Civic Association Meeting
Tuesday • March 5th • 7:30 PM**

Lynnhaven Colony Congregational Church Community Center
2212 West Great Neck Road

66 Treasurer's Note

The 2013 CHSCA dues notice will be out within a couple of weeks. We are instituting a new procedure (and hopefully easier) method of payment this year. You will still be able to pay the \$25 by mail in the envelope provided. As an alternate method you may also give your check or cash to your block captain who will forward it to me. As always, your prompt payment makes it much easier on your volunteer board to perform their duties. The budget for 2013 will be presented at the 4 March meeting. Hope to see as many of you there as possible".

- Dick Robbins, CHSCA Treasurer

66 Waterways Note

One of our neighbors called me the other day and asked if I would look at the storm drain pipe behind his house. He was concerned by the amount of pine straw, leaves and other debris that was in the water.

We checked the streets in CHS and found many of the curbs were filled with pine straw and small branches from the recent rains. If we fail to keep the curbs clean, the canals will fill with debris and will have to be dredged. This is a very expensive job. We must remember that water is the main reason CHS is so special. If we fail to maintain our water ways the houses in our neighborhood will depreciate in value.

I am asking that everyone in CHS please keep the curbs in our roadways clean, so that the debris does not get into our waterways".

- Wallace Dennison, CHSCA Waterways
